Dear Parent or Guardian:

We are pleased to inform you that the Clark County School District Food Service Department will be implementing a program at your child's school called the Community Eligibility Provision (CEP).

**What does this mean for you and your child(ren) attending this school?**

All enrolled students at CEP schools are eligible to receive a healthy breakfast and lunch every day for **no charge** during the 2016-2017 school year. **No further action is required of you.** Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit a meal application. Only breakfast and lunch meals will be free of charge; the purchase of a la carte items will require payment.

Please visit <http://www.ccsd.net/departments/food-service/> for a complete list of elected CEP schools.

Please contact us at 1-800-819-7556 or [myschoolmeals@nv.ccsd.net](mailto:myschoolmeals@nv.ccsd.net) if you have any questions.

Sincerely,

CCSD Food Service Department

USE OF INFORMATION STATEMENT: The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules. While disclosure of the last four digits of a social security number is voluntary the National School Lunch Act requires the last four digits of a social security number or indication of "none" for approval of the application.

USDA NONDISCRIMINATION STATEMENT: In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.
