Dear Parent or Guardian:

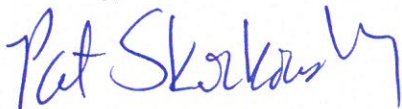

As you may be aware, your school has been on a list of overcrowded schools that have been on a year-round calendar for one school year or more. At the beginning of the school year, I promised to keep you informed on this issue. I know that for many families, schools are not only places of learning, but the focal point of our neighborhoods.

I am writing to let you know that your school will implement a nine-month calendar for the 2017-2018 school year. Therefore, beginning on Monday, August 14, 2017, the first day of school for the 2017-2018 school year, the entire student population and school staff will be on a nine-month school calendar.

If you have questions on how this change will affect your family, please contact the administration at your school. You may also contact me directly at pskorkowsky@interact.ccsd.net.

We wish you all the best over the course of the school year.

Sincerely,

Pat Skorkowsky
